No.12/23/2015-T&R
Government of India / Bharat Sarkar
Ministry of Power / Vidyut Mantralaya
(T&R Section)

2nd Floor, F-Wing, Nirman Bhawan,
New Delhi, Dated the 2nd November, 2022

To

The Chief Managing Director,
Chennai Power and Desalination Training Institute (CPDTI),
40A Padvattamman Koil 1st Street,
Padi, Chennai - 600050 (Tamil Nadu)

Subject: Renewal of recognition of Chennai Power and Desalination Training Institute (CPDTI), Chennai, Tamil Nadu – regarding

Sir,

In connection with the proposal submitted by Chennai Power and Desalination Training Institute (CPDTI), Chennai, Tamil Nadu for renewal of recognition, a team of CEA inspected the institute on 15th July, 2022 to assess the requisite facilities in the institute for meeting the requirements for recognition as per the provisions of CEA (Measure relating to Safety and Electric Supply) Regulations 2010.

2. Chennai Power and Desalination Training Institute (CPDTI), Chennai, Tamil Nadu fulfills the mandatory conditions as well as various basic requirements in terms of institutional facilities, organisation & staffing, training methodology including on-job training facilities and instructional capabilities for recognition under the provision of CEA (Measures relating to Safety and Electric Supply) Regulations 2010 and as per CEA Guidelines for recognition of training institutes. The institute has scored **66** with **Grade "B"** in the appraisal.

3. Based on the recommendation of CEA team, the Chennai Power and Desalination Training Institute (CPDTI), Chennai, Tamil Nadu is hereby granted renewal of its recognition as a category-I Institute for imparting training in Operation & Maintenance (O&M) of the power plants/systems in field of Thermal Power Generation for next four(04) years w.e.f. 23rd June, 2022 up to 22nd June, 2026.

4. However, CEA has observed that the Institute shall comply the following suggestions of CEA Team and the institute may furnish the action taken report to CEA. The CEA team may visit the institute as and when it deemed necessary:

a) The Institute should put it effort to increase utilization capacity of Institute.

b) The Institute shall increase nos. of books in available library, procure books/documents on Power Sector policies, Environmental policy, Cyber Security, Smart Grid, journals on Power Sector, regulations of CEA and CERC.

c) The Institute shall install more static and working models in the areas of Thermal Power Generation.

d) The Institute shall increase nos. of Audio-Visual training packages.

e) On successful completion of the training by the participant, the training institute shall issue a certificate which shall include a declaration that **"the training institute is recognized under Central Electricity Authority (Measures relating to Safety and Electric Supply) Regulations, 2010"**.

f) The Process of recognition of training institutes in Power Sector is being restructured and also the syllabus/curriculum of training institutes specified in the Safety Regulations 2010, CEA is under modification. After modification/updation, the same will be incorporated in CEA Guidelines for Recognition of Training Institute. The training institutes shall adopt the same in due course.

5. This issue with the approval of Economic Adviser, Ministry of Power.

Yours faithfully,

(Vikrant Verma)
Under Secretary to the Govt. of India
